

Tuskegee Airmen, Inc.

Lee A. Archer, Jr. Chapter

Welcome to the Lee A. Archer Jr. Chapter of Tuskegee Airmen Inc., at Travis AFB, CA

The story of the Tuskegee Airmen of WWII is a very interesting and courageous one. In short, the first African American Pilots to fly possessed a strong desire to serve their country, demonstrated superbly and persevere despite segregation and various mistreatments. Today their legacy lives on through local TAI Chapters across the United States.
